04	2011-10-18	Cardiology Consultation	Evaluation of Exertional Chest Discomfort
05	2012-02-14	Cardiac Catheterization & PCI — Procedure Report	Coronary Angiography with Drug-Eluting Stent to Proximal LAD
06	2012-03-20	Cardiology Follow-up	Post-PCI Review (5 Weeks)
07	2013-07-08	Annual Wellness Visit	Health Maintenance — Elevated Screening PSA Identified
08	2013-09-02	Urology — Prostate Biopsy Procedure & Clinic Note	Transrectal Ultrasound-Guided 12-Core Prostate Biopsy
09	2013-09-09	Surgical Pathology Report — Final	Prostate, 12-Core Needle Biopsy (Specimen of 09/02/2013)
10	2013-09-30	Multidisciplinary Oncology Consultation	Newly Diagnosed Prostate Adenocarcinoma — Staging & Treatment Planning
11	2014-01-17	Radiation Oncology — End-of-Treatment Summary	Completion of Definitive Prostate IMRT
12	2014-09-25	Oncology Surveillance Visit	Post-Radiotherapy PSA Surveillance — Approaching Nadir
13	2015-03-14	Annual Wellness Visit	Comprehensive Chronic Disease Review (Age 70)
14	2015-04-18	Oncology Surveillance Visit	PSA Surveillance — Result of March 2015 Order
15	2016-06-22	Emergency Department Visit	Palpitations & Dyspnea — New Atrial Fibrillation
16	2016-07-07	Cardiology Follow-up	Atrial Fibrillation Management & Echocardiogram Review
17	2017-03-09	Chronic Disease Follow-up	Diabetes Intensification & Newly Recognized CKD Stage 3a
18	2017-04-20	Endocrinology Consultation	Type 2 Diabetes — Multifactorial Optimization
19	2017-09-05	Ophthalmology — Dilated Diabetic Eye Examination	Mild Non-Proliferative Diabetic Retinopathy Identified
20	2017-10-19	Diagnostic Imaging Report	Bilateral Knee Radiographs — Osteoarthritis
21	2018-03-11	Hospital Admission — History & Physical	Acute Decompensated Heart Failure (New HFrEF)
22	2018-03-17	Hospital Discharge Summary	Acute Decompensated Heart Failure — HFrEF (EF 35%)

#	Date	Type	Document
23	2019-02-14	Oncology Surveillance Visit	Rising PSA — Evaluation for Biochemical Recurrence
24	2019-03-08	Nuclear Medicine / PET Report	PSMA PET/CT and Multiparametric Prostate MRI (Order of 02/14/2019)
25	2019-07-26	Pulmonology Consultation	Chronic Dyspnea & Cough — COPD Diagnosis
26	2020-04-19	Hospital Admission & Course	COVID-19 Pneumonia with Hypoxemic Respiratory Failure
27	2020-09-15	Operative Report	Right Total Knee Arthroplasty
28	2020-10-14	Orthopaedic Follow-up	Post Right Total Knee Arthroplasty — 4 Weeks
29	2021-05-03	Emergency Department Visit	Transient Right Arm Weakness & Slurred Speech — TIA
30	2021-06-10	Neurology Follow-up	Post-TIA Secondary Prevention — Carotid Duplex Review
31	2022-02-28	Gastroenterology — Endoscopy Report	Colonoscopy & EGD for Iron-Deficiency Anemia
32	2022-03-05	Surgical Pathology Report — Final	Colon Polyps, Polypectomy (Specimens of 02/28/2022)
33	2023-01-17	Emergency Department Visit	Mechanical Fall with Left Distal Radius Fracture
34	2023-02-14	Bone Health / Metabolic Consultation	Osteoporosis after Fragility Fracture — DEXA Review
35	2023-06-08	Ophthalmic Surgery Report	Phacoemulsification with Intraocular Lens — Right Eye
36	2024-03-07	Cardiology Follow-up	Progressive HFrEF (EF 30%) — ICD Evaluation & Echo Review
37	2024-07-09	Nephrology Consultation	CKD Stage G3b/G4 — Diabetic & Cardiorenal Disease
38	2024-10-15	Oncology Survivorship Visit	Prostate Cancer — 10-Year Survivorship Surveillance
39	2025-02-10	Comprehensive Geriatric Assessment	Annual Multimorbidity Review & Polypharmacy Reconciliation (Age 79)
40	2025-05-06	Hospital Discharge Summary	Heart Failure Exacerbation with Atrial Fibrillation (RVR) — Current Status

SYNTHETIC RECORD — FICTITIOUS PATIENT. Entirely fabricated for testing, training, and educational use. Does not describe any real person and is not medical advice.
